

**Temporary Search
Family/Agency Agreement**

Please read, print and sign the following Agreement and fax or send it to us. The Agency begins a search for a temporary caregiver when this signed Agreement and Registration Fee are received. We will call you during business hours to discuss your specific requirements.

*I authorize **In Search of Nanny, Inc.** (the Agency) to act as a referral agent when I request temporary childcare services. I understand that the child care providers referred by the Agency are independent contractors who set their own salary rates. I understand that the Agency is not their employer. I am under no obligation to hire an individual referred by the Agency. In consideration for the screening, support and referral services provided by the Agency, I do agree to pay the Agency referral fees for any person I employ as a result of an **In Search of Nanny, Inc.** referral, anytime within one year of the date of introduction of the applicant by the Agency.*

After a referral has been made by the Agency and accepted by me, I agree to pay the Agency referral fee of \$40/day or \$600/month (same caregiver). If I subsequently cancel my childcare request, and do not provide proper notice of cancellation, two (2) business days minimum, I agree to pay a cancellation fee of a maximum of \$80 (\$40/day). I hereby agree to hold the Agency harmless of any and all loss, damage, destruction or accident claims, which may arise out of, or in connection with the employment of any provider referred by the Agency.
